

2024 Membership Fees

PRORATED INVOICE AMOUNTS FOR NEW MEMBERS

Effective January 1, 2024, Regular members will pay an annual fee of \$20,000 plus an ecosystem fee. Regular members are required to participate in at least one ecosystem. The annual Ecosystem Fee is \$10,000 per ecosystem. The Regular member fees shown below assume participation in one ecosystem. Each additional ecosystem will increase the membership fee by \$10,000 per year. Learn more about [WPC ecosystems](#).

Associate memberships have been discontinued effective January 1, 2024. For information on Associate membership contact us at administrator@wirelesspowerconsortium.com.

The following tables show the prorated invoice amount for new WPC members during their first year of membership, based on the month of joining WPC.
